

Instructions for the runners

Leg 1

1. Please park in the car park behind the Village hall by the bowling greens. **Carry or wear Waterproof top, hat and gloves. Also carry your Mobile.**
2. Leave enough time to pick your numbers up from the Marshals at the back of the Royal Oak.
3. The start is the corner of the wall by the picnic benches at the back of the pub.
4. You will have already been notified of your teams start times, please don't be late as the first to finish wins and there will be no corrections for late starting. This is the joy of this race, anyone can win.
5. Make sure you leave some dry warm clothes in a car up at Homefield and please park in the village hall car park.
6. The finish is at the little park next to the Angel Pub.
7. Please take care and leave space as you past any horses and do not cut corners and stick to the paths so we don't upset any land owners.
8. You can use GPS and take care on the road crossings, though it's a race its just for fun. There are no marshals on you road crossings and no warning signs. **It is at your own risk!**
9. **Anyone who cannot finish, must let me know on 07795 046343.**
10. Most importantly, enjoy and don't forget your race number entitles you for a free drink in the Royal Oak. My guess is the first runners will finish at 12:45 to 13:00 and I hope everyone is in by 13:15. The Royal Oak will be open from 12 noon.

The Start

The Finish

Ps. Please bring your own safety pins, there will be a few with the marshals. Also I don't think there will be any toilets until the Royal opens at 12 noon!
